Project Chem Log in Slovakia – progres report

Ing. Jaro Čermák

EUROPEAN UNION
EUROPEAN REGIONAL
DEVELOPMENT FUND

Duslo a.s. Sala

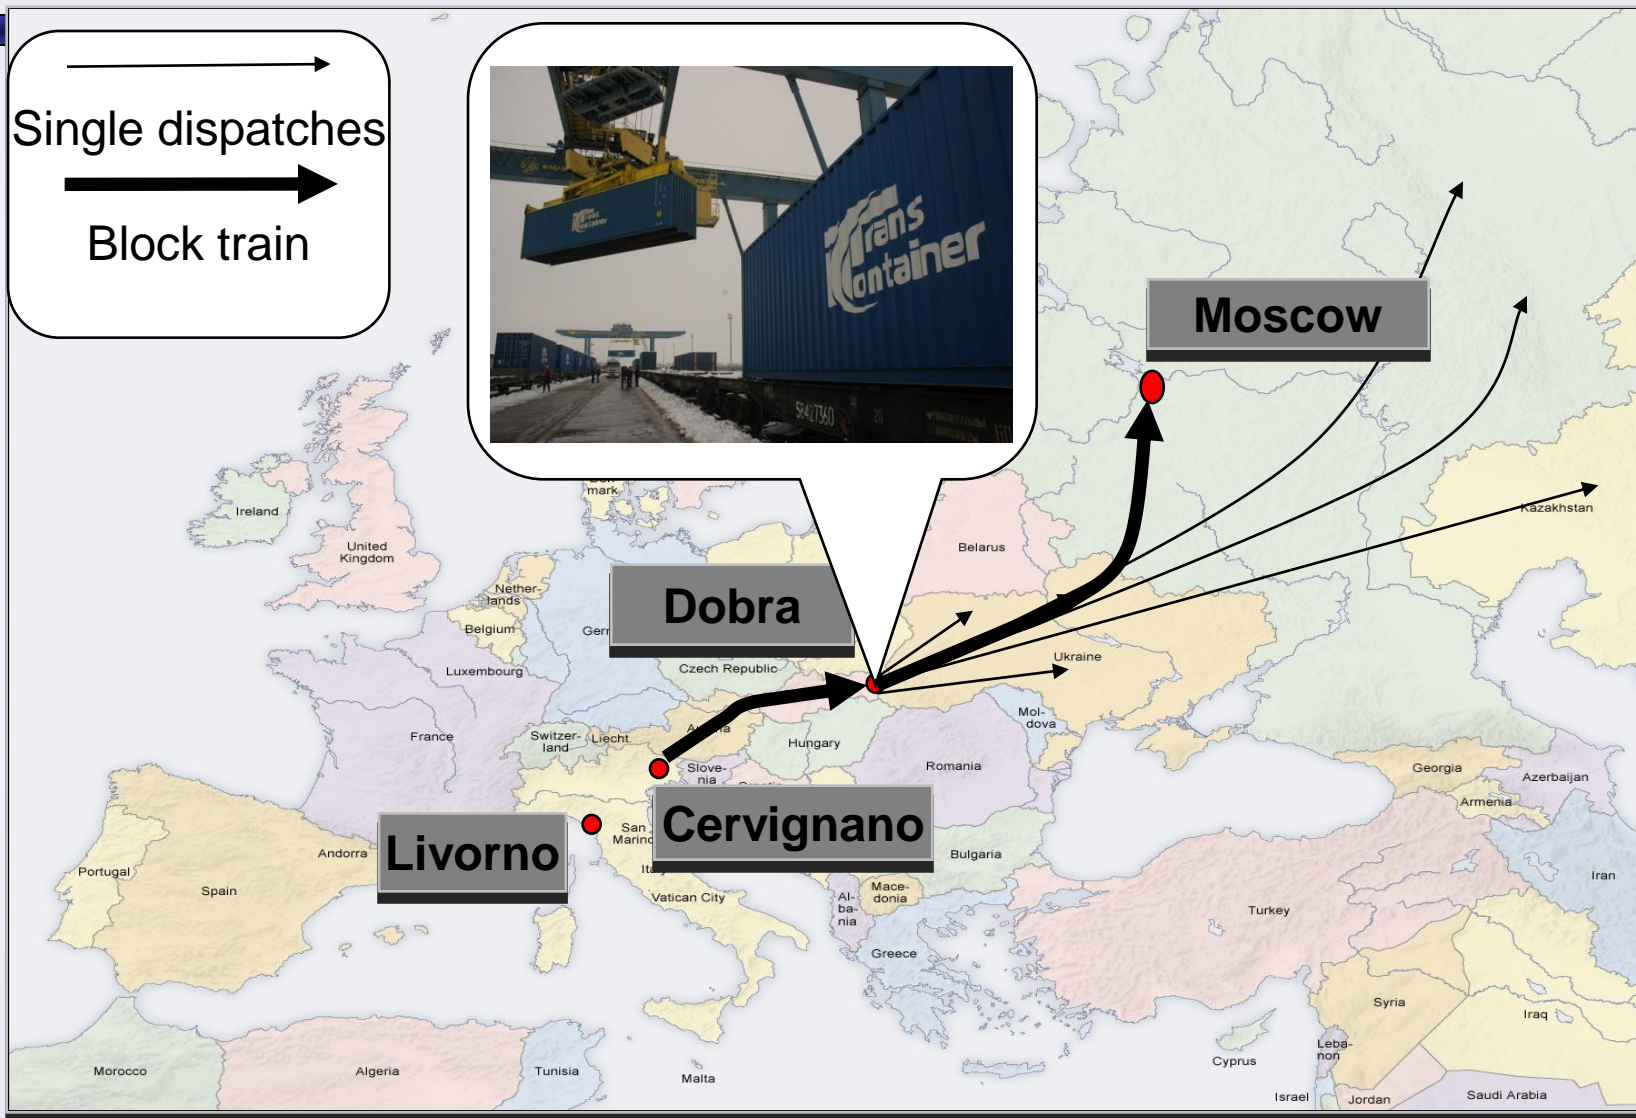

- Transport of Urea automotive to England
- Dunajská Streda – Prag – Rotterdam by rail
- Rotterdam – England by ship
- Distribution in England by road
- Using of big-bags in 40 ft. containers
- Better price of transport as road

TransContainer Slovakia

- Block trains for FIAT
- Regular trains Cervignano – Dobra – Moscow
- Good connection Italy – Austria – Slovakia – Ukraine – Russia
- Using for chemical industry possible

Single dispatches
Block train

New wagons for multimodal transport

- 2 x 45 ft
- High – cube containers per normal gabarite
- Low floor – 1175 mm
- Loading capacity – C- 55 t, D – 65 t

New container wagen 2x45 ft for RŽD

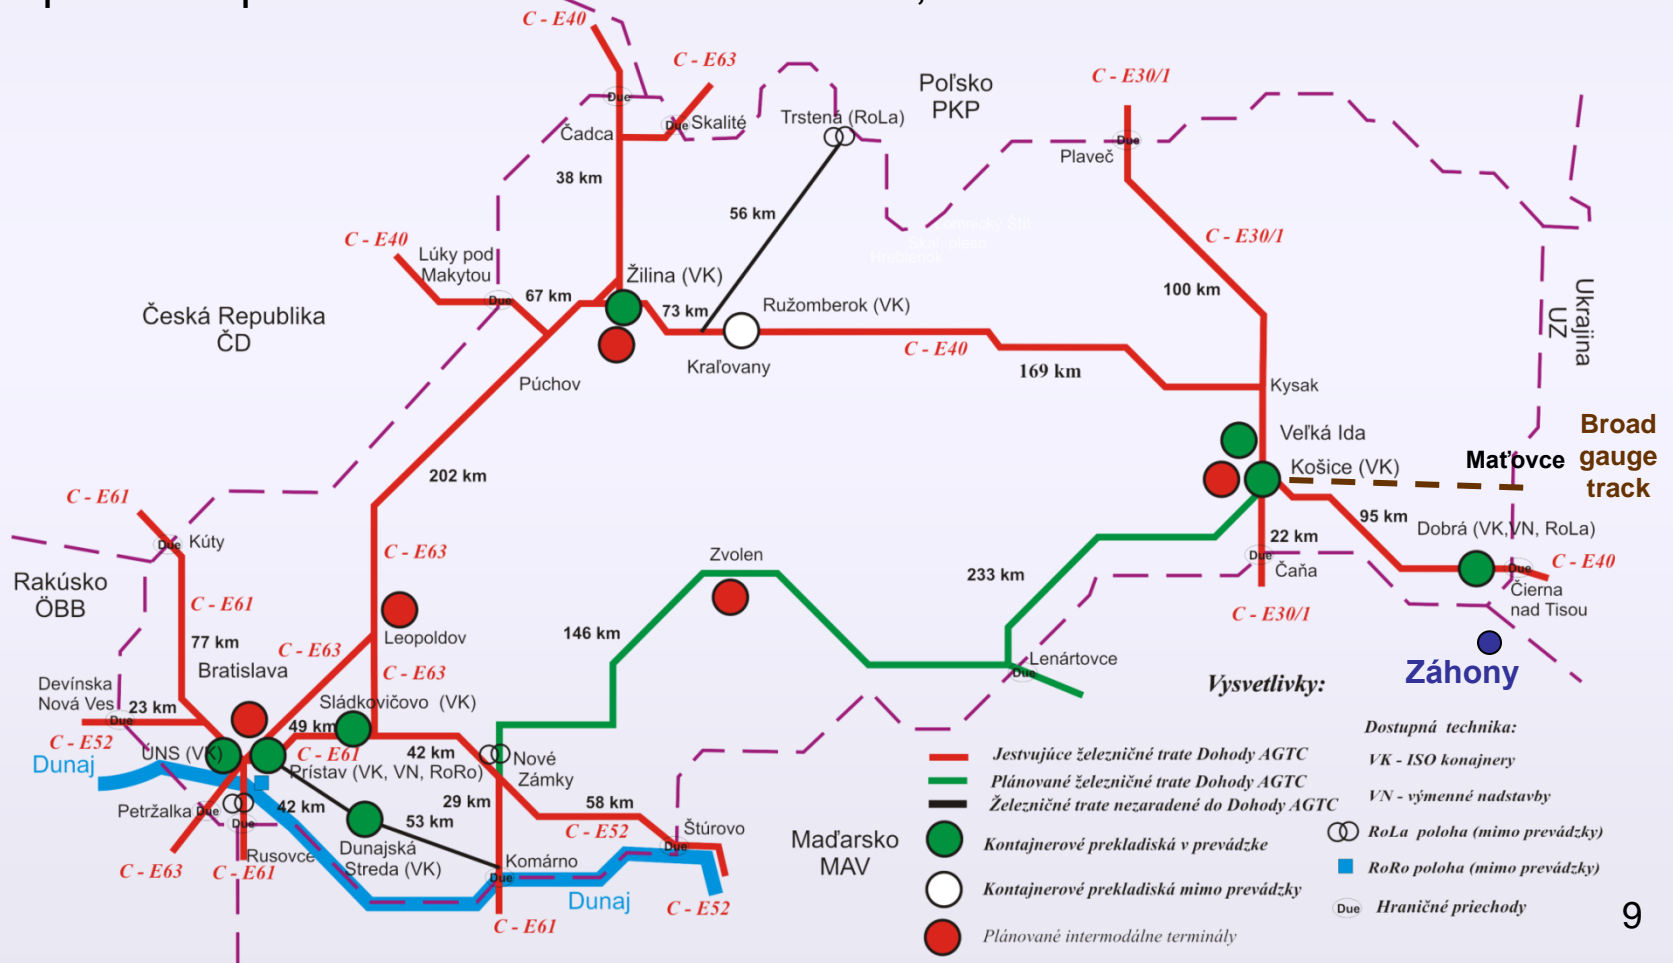

Feasibility study

- Container trains from Slovakia to neighboring hubs in Europe
- Connection to new terminals net Marco Polo
- New park of multimodal units – tankcontainers, portable tanks, swap bodies
- Transshipment of danger liquids – corrosive, toxic in Cierna n.T.
- Net of tank cleaning stations

Network of intermodal transport terminals

Mostly container handling

Swap-bodies possible in Bratislava-Palenisko, Sládkovičovo and Dobrá terminals

Interoperabilita ERS – Brno - Budapešť

Interoperabilita LTE – spoj Duslo - Ingolstadt

METRANS Dunajska Streda

Terminal area:	280.000 sqm
Stacking area:	250.000 sqm
Stacking capacity:	25.000 TEUs
Own rail tracks:	5 x 650m + 4 x 550m
Rail Mounted Gantry Cranes:	3 over 5 tracks 650 m long
Handling machines:	4 Reachstackers 42mt + 4 x 8mt
Truck capacity:	190 trucks/chassis (long-term subcontractors)
Operating hours:	24 / 7 rail operation incl. State holidays Monday - Sunday 07:00-21:30 hrs /trucks/
Address:	METRANS (Danubia), a.s. Povodska 18 SK 929 01 Dunajska Streda
Railway station: No.	Dunajska Streda, vl.vl. Metrans Danubia 56 147 363
Customs clearance office	YES
Reefer plugs - PTI incl. Small repairs	YES
Depot for empty containers - capacity	15.000 TEUs
Covered repair shop incl.container cleaning	YES
Installment of linerbags or hangertainers	YES

Trimodal terminal - Bratislava - Pálenisko

Bratislava - Mělník and vice versa
Bratislava - Bremerhaven and vice versa
Budapest - Bratislava

Thanks for your attention
