**1991 - 2016**

**25 YEARS  
OF THE ASSOCIATION OF THE CHEMICAL  
AND PHARMACEUTICAL INDUSTRY  
OF THE SLOVAK REPUBLIC**

# CONFERENCE

## 25<sup>th</sup> Anniversary

### ZCHFP SR

**Date:** 29 November 2016

**Venue:** Hotel Double Tree Hilton, Bratislava

**Time:** 11:30 Conference - Registration

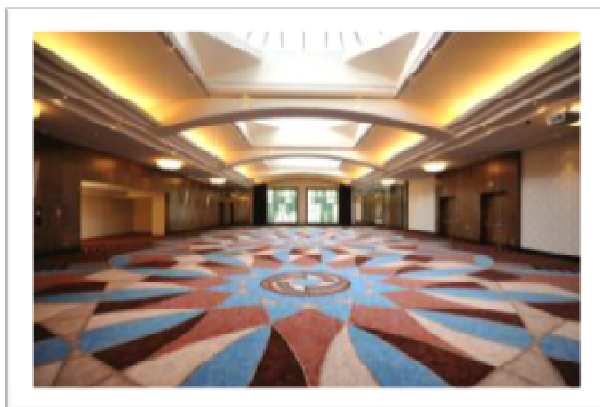

#### Lunch

**12:30** Conference

Parallel in two sessions

**18:00** GALA Dinner

*(for invited)*

## Chemistry Day

- 12:30 1<sup>st</sup> block – Chemistry and Chemical Industry
- ▶ **Chemical Industry in Slovakia**  
Roman Karlubík, President ZCHFP SR
  - ▶ **Quo vadis European Chemical Industry**  
Marco Mensink, Director of Cefic
  - ▶ **Cooperation between ZCHFP SR and Federchimica: present results and future opportunities**  
Sergio Treichler, Director, Federchimica
  - ▶ **Development of chemical Industry in Czech Republic**  
Ivan Souček, Director of SCHP ČR
  - ▶ **Development of chemical Industry in Poland**  
Tomasz Zielinski, President of PIPC
- 13:30 2<sup>nd</sup> block – Innovation in Chemistry is vital for development of whole industry
- ▶ **Chemistry in the European Context**  
Emeritus Professor David J. Cole-Hamilton, president of European Association for Chemical and Molecular Sciences
  - ▶ **Innovations in Chemistry as enabler for other industries – examples from BASF**  
Dr. Wolfgang Reich, Scouting & Strategy Advanced Materials & Systems Research
  - ▶ **The aims of strategy of research and development in SR by 2020**, RNDr. Eva Majková, DrSc, SAV
  - ▶ **Innovations in SME**  
Dr. Robert Mistrik, HighChem
- 15:00 **Coffee Break**
- 15:20 3<sup>rd</sup> block – Legislation and dialog between Authorities and Industry
- ▶ **What we achieved in ZCHFP SR**  
Silvia Surová, ZCHFP SR
  - ▶ **Cooperation with Authorities**  
Katarína Jankovičová, MŽP SR
  - ▶ **Chemical legislation and its development**,  
Ján Čepček, MH SR
- 16:20 4<sup>th</sup> block – Education and employment in Chemical Industry
- Panel discussion:** Prof. Ing. Ján Šajbidor, Ing. Branislav Ondruš, , Ing. Petr Bláha, Ing. Igor Krištofík, Ing. Michal Ľach, Ing. Roman Karlubík, Mgr. Roman Conorto
- 17:20** **Conclusion**

## Pharmacy Day

The way of medicine from research, clinical tests, production, distribution and apothecary to patient. Responsibilities, the most important aims and challenges.

- 12:30** **Opening**
- ▶ **Priority in Health Care – Development of medicine policy**  
PharmDr. PhDr. Matej Petrovič, MZ SR
  - ▶ **Ethics and transparency in pharmaceutical industry**  
MUDr. Miroslav Lednár, AIFP
  - ▶ **Research and development of new medicine and clinical tests**  
Mudr. Tamara Milly, MBA, AIFP
  - ▶ **Importance of generics for patient**  
PharmDr. Karol Poloni, GENAS
  - ▶ **Responsibilities of producer in pharmaceutical industry**  
Ing. Miroslav Strížinec, Saneca Pharmaceuticals
  - ▶ **Distribution of medicines and its specification**  
ADL - Phoenix, Unipharma
- 14:40 -15:10** **Coffee Break**
- ▶ **The role of chemist in medicine network**  
PharmDr. Ondrej Sukeľ, President of SLeK
  - ▶ **How is availability of medicines perceived by patients in SR**  
AOPP
  - ▶ **New methods for digitalization for pharmaceutical industry**  
Dr. Leonard Sojka, Managing Director, Merck Slovakia
- 16:20** **Panel discussion:**  
**The main aim of medicine is to treat the patient**  
MZ SR, ŠUKL, ADL, AIFP, AOPP, FF UK, SLK, SLeK, GENAS
- 17:20:** **Conclusion**
