Prioritisation table – January 2012

All issues

Urgency Importance	A CURRENT	B ACTIVE ANTICIPATION	C WAITING AND WATCHING
1	<ul style="list-style-type: none"> • Energy Efficiency Directive • Roadmap on Resource Efficiency • ETS set aside + binding targets • Horizon 2020 • Innovation Union Partnerships • <u>Seveso II Directive review</u> • Energy Roadmap 2050 • CAP reform 	<ul style="list-style-type: none"> • EQS Directive review: priority substances /Smarter regulation • Nanomaterials <ul style="list-style-type: none"> - REACH review - regulatory aspects • Endocrine Disrupters • Combined effects of chemicals • 7th EAP 	<ul style="list-style-type: none"> • Indoor Air Green paper • REACH review (scope) • E&H Action Plan • Human biomonitoring
2	<ul style="list-style-type: none"> • MiFID & MAD * Sustainable Development 	<ul style="list-style-type: none"> • Access to documents and CBI • Industrial policy 	<ul style="list-style-type: none"> • Low carbon economy Road map to 2050 • Water blueprint: Safeguarding
3	<ul style="list-style-type: none"> • Biodiversity Post-2010 Strategy • PIC • Eco-Innovation • SCP implementation • <u>Explosive precursors</u> 	<ul style="list-style-type: none"> • SCP comitology • Green Public Procurement 	<ul style="list-style-type: none"> • Energy Taxation Directive • <u>Raw materials</u>

Anticipation Reputation

- Health & Environment Action Plan
- REACH review

Early warning

- HLG on Key Enabling Technologies
- Endocrine Disrupters
- Mixtures
- Cocktails
- Green Paper FP8
- Soil
- Indoor Air Quality
- 6th EAP review and 7th EAP

Processing

- Nanomaterials
- Industrial Emissions Directive implementation
- Competitiveness-Innovation Programme
- Roadmap on Resource Efficiency
- Energy Roadmap 2050
- Thematic Strategy on the Sustainable Use of Natural Resources
- Smarter regulation
- Biocides
- HLG on the Competitiveness of the Chemical Industry report
- EQS Directive review: priority substances

Advocacy

- Flagship initiative on Resource Efficiency
- Energy Efficiency Directive
- Energy Efficiency Plan 2011
- Energy Taxation Directive
- Indirect costs emissions (ETS)
- Low carbon economy Road map to 2050
- Bas Eickhout report (CC)
- Biodiversity
- Seveso II Directive review
- REACH implementation
- Innovation Union: flagships
- Raw materials
- FP7 review: evaluation
- Agenda for new skills and jobs
- MiFID
